

## **Alexandria Ocasio-Cortez - Political Operative**

### **CONGRESSWOMAN ALEXANDRIA OCASIO-CORTEZ**

**I have secret inside information from unnamed sources that Congresswoman Alexandria Ocasio-Cortez is in reality a covert Republican operative masquerading as a Progressive Democrat.**

**I trust this information because it is from the same unnamed sources so often quoted by the New York Times, Washington Post, MSNBC and CNN in their coverage of the Trump Collusion Investigation. How can you be more credible than that?**

**We should all do whatever we can to keep from "blowing" the Congresswoman's cover story about being a Progressive Democrat.**

**As part of this long range, carefully crafted operation, Congresswoman Ocasio-Cortez is reported to have graduated "with Honors" and a degree in Economics from Boston College. A very clever cover with no doubt a realistic looking diploma hanging on a wall somewhere.**

**Lets look at the facts.**

- It is reported that Boston College charges students \$70,000 a year tuition. Even without a degree in Economics I believe that totals \$280,000 for a four year degree.**
- No one with a degree in Economics who graduated "with Honors" from Boston College could really be as mathematically ignorant as she appears (pretends?) to be. Could they?**
- Common sense tells us that a real economics student would not expend that amount of effort and money to graduate from a "respected" college and lack the ability to do simple math.**

**Logically, the college degree ruse is just a cleverly orchestrated cover to provide her with the "credentials" to be a voice for the "Green New Deal" hoax.**

**To believe otherwise we would have to conclude that Boston College is just a "Degree Mill" in business only to make money for overpaid Professors whose real mission is indoctrinating students with a "Progressive Liberal" agenda.**

**I have to surmise that the Congresswoman's wide eyed, "pretend to be a moron" act is just part of her clever cover story and that as a covert Republican operative she is working on a plan to destroy not only the Progressive wing of the Democratic Party but, in the process she plans to**

**cause Nancy Pelosi to lose her tenuous grasp on whatever remaining shreds of reality she clings to.**

**Let's all support Congresswoman Ocasio-Cortez! We want to help her get as much support from her colleagues as she can.**

**But..... Don't tell anyone. Let's just keep this little secret to ourselves.**
