

JOIN P.E.T.S. FOR A BETTER TOMORROW

ETHICAL TREATMENT FOR SQUIRRELS NOW!

I hope you will join me today in this newly founded organization dedicated to the rights and care of our long tailed furry brothers and sisters.

There are no forms to fill out. No meetings. No dues. No age restrictions.

Just a silent pledge made in private to do your part for the welfare of these beautiful creatures who give us so much and ask for nothing in return.

Squirrels do not lie to you.

They are not corrupt.

They do not demand your tax dollars.

They do not ask for your vote.

They do not try to control every aspect of your life.

You do not have to license them with some government agency.

they are fun to watch.

And.....

After the Dark Lords of Mordor in Sacramento complete the destruction of California and turn it into the Venezuela of North America with an economy in ruins and nothing to eat.....

.....Our squirrel friends will still be here to continue to serve us.....

They make tasty stews and and warm winter hats.
