

Riding In The Wagon

You can't make this stuff up! Ever wonder why we are 15 Trillion Dollars in debt? Too bad this "you owe it to me" attitude is so rampant in our culture. Scary thing is, these folks vote! Watch Judge Judy in action. She says it better than I ever could. Watch a few episodes of Judge Judy and note the attitudes and expectations of those appearing before her.

Why not share Judge Judy's wisdom with a friend? Or, your congressman or congresswoman?
